**California's Carbon Monoxide Safety Law
Protecting California Families from the "Silent Killer"**

In May 2010, an important public safety measure was signed into law requiring all California homes to be equipped with carbon monoxide alarms. Note: CO alarms are required IN ADDITION to smoke alarms and are not intended to replace them. Carbon monoxide (CO) is known as the "Silent Killer" because it is an odorless, colorless and tasteless gas that can catch its victims completely unaware. CO is the leading cause of accidental poisoning deaths in the United States. CO poisoning can cause severe brain, lung and heart injuries and can lead to death.

The only safe way to know if there is CO in your home is to arm yourself or your family with a working CO alarm.

All Playmor Bernardo HOA Staff will be off on Monday, September 5, 2016, in observance of the Labor Day holiday.

Please Note: The holiday will delay trash and recycle pick up until Wednesday, September 7th. Please do not place your receptacles at the curb until after 6:00p.m. on Tuesday, September 6th. Thank you.

If you are a dog and/or cat owner, please pick up your pet's waste in the community. It is common courtesy to do so for the health & well being of all residents in Playmor.
